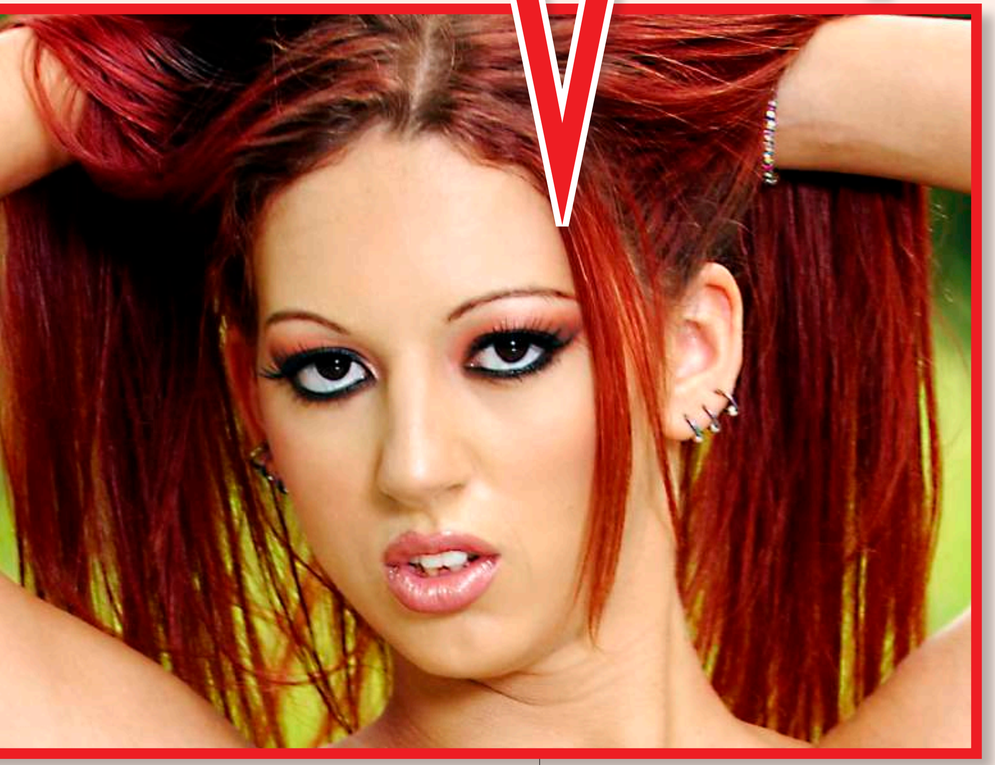
Vampire Ride

> …the detective ran his fingers through my bright red hair. I polished his pole frenziedly, sloppily…

Detective Hammersmith unzipped his pants and whipped out his cock. He grinned like a stoned shark when I slid out of my dress and knelt before the sofa.

I held his shaft and licked its underside, brushing it with a series of slow strokes, balls to glans, until he sighed contentedly. Then I gobbled him in earnest. Pumping my head slowly, to and fro, my moist lips clenching his rigid rod, I felt myself getting wet almost immediately.



This didn’t surprise me, not in the least. Three months. That’s how long it had been since I had had sex. Three miserable months of being without my dear husband who seemed to have vanished off the face of the earth.

The police had been unable to find Jake, so I had sought the services of a private detective. Hammersmith had worked tirelessly on the case. He had called me a little earlier this afternoon with his final report . . .

“I’ve got good news and bad,” he had told me.

“Go on,” I had replied. “I’m listening.”

“The good news is that I located your husband,” Hammersmith had said. “Bad news—well, I don’t quite know how to tell you this, ma’am . . .”

I had implored him to continue.

“You’ll think I’m off my rocker.”

“Out with it, Detective!”

“Okay. You asked for it.” Then he had said, “I’m afraid Jake is living at Count Preki’s castle . . .”

The rest of Hammersmith’s tale was far-fetched, yet I had believed every word. Count Preki, owner of the brooding castle atop the hill overlooking this quant fishing village, had long been suspected of evil doings. Vampirism? Why the hell not? After all, I had never seen the man during daylight hours. His loyal servant did all the marketing. And that spooky castle of his gave all the villagers a bad case of the heebie-jeebies.

Now the detective ran his fingers through my bright red hair. I polished his pole frenziedly, sloppily, making him moan and groan. Raunchy slurping sounds filled my living room.

I wanted him to know how much I appreciated his hard work. Hammersmith had accomplished in a mere two weeks what the local police couldn’t do in three months. The news was grim, sure. But at least I was no longer in the dark. I knew what had happened to Jake. More importantly, I knew what I had to do . . .

Having sucked Hammersmith to the brink, I came up for a breather and lay on the sofa beside him. That shark’s grin of his got even wider when he peeled my panties

and got a good look at my gaping wet cunt. He moved on top of me. His was a big cock. He pumped and pounded between my thighs. I came seconds before he pulled out and dumped his load on my tits.

I knew, even before the cum had dried, my plan of attack.

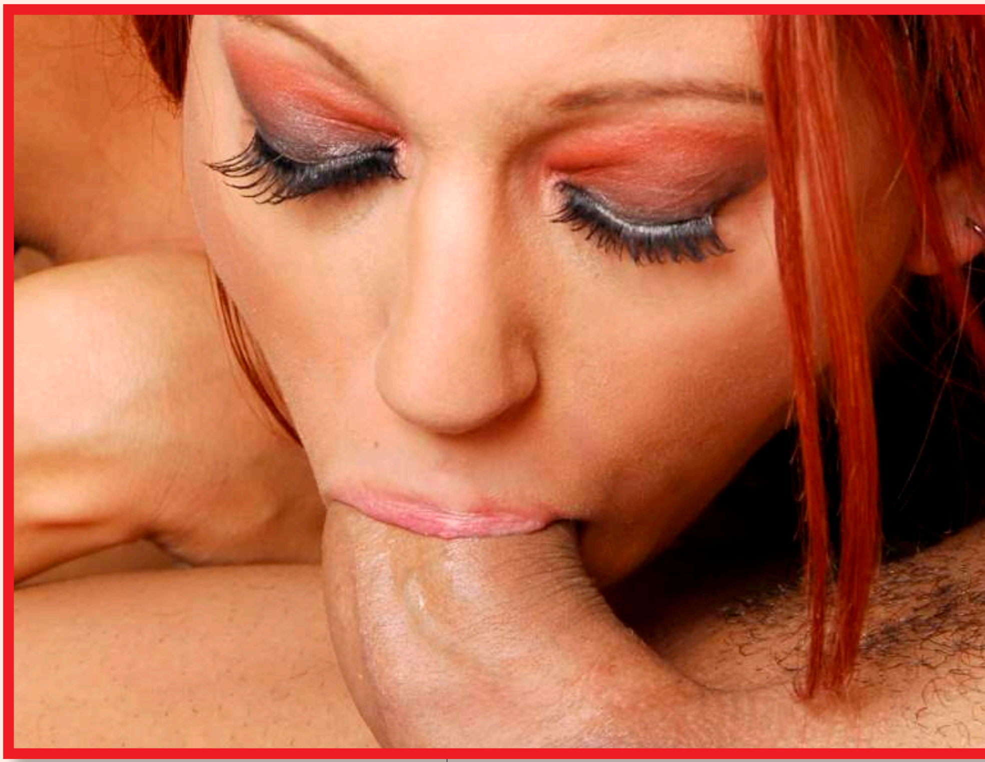
Canvas tote bag in one hand, flashlight in the other, I descended a flight of narrow stone steps to a dark, cobweb-festooned basement. The hand holding the flashlight, my right, still thrummed from the recoil of the tranquilizer pistol I had used to incapacitate Count Preki's servant. The pistol had been provided by my next-door neighbor who just happened to be a zookeeper. He had looked at me strangely when I had asked to borrow the gun. At least until I had offered to blow him.

The servant had been easy enough to dupe. Posing as a stranded motorist, I had knocked on the castle door requesting help. One flash of my abundant cleavage had done the trick, distracting him so that I could produce the gun from my tote bag and plug him at close range. The unconscious lackey would have done anything for his master, evidenced by the townsfolk he had lured to Preki's castle. Jake wasn't the only missing person from our fishing village. I suspected the others had met the same fate. Sucked dry and subsequently enslaved. Vowing revenge, I had embarked on today's mission with steely resolve, determined to bring Preki's reign of terror to an end.

I reached the bottom of the steps and probed the gloomy basement with light. Four coffins: three plain pine boxes and one ornate casket befitting a king. Preki's, I reasoned with unassailable certitude. Was Jake asleep in one of those pine boxes? Probably. Furthermore, would I have the gumption to drive a stake through his heart and release him from the horrible curse?

I hoped so. The thought of my dear husband living as a bloodsucking fiend for eternity was too much to bear, far too much. I could imagine no greater horror.

I placed my tote bag on top of a nearby table cluttered with thick, leatherbound tomes. The books were ancient and embossed with strange esoteric symbols which gave me the creeps. The table provided a perch for my flashlight, enabling me to train a cone of yellow in the vicinity of the coffins. My tote bag contained a number of wooden stakes and a mallet.



Each stake had been sharpened to a wicked point . . .

Heart pounding, I brandished my tools of destruction and hastened across the stone floor to Preki's casket. I would do him first, using the evil Count for a warmup before tackling the difficult task of killing Jake and, if I had enough stakes, the rest of the vampires.

No, I told myself, you're not killing Jake. Your husband no longer exists. You're killing a monster. You're killing a fanged abomination from the bowels of Hell . . .

Unfortunately, I had gotten a late start on today's mission. No thanks to Detective Hammersmith. Granted, I was partly to blame. It takes two to tango. And I just couldn't resist his magnificent cock, especially in light of the sexual drought which had plagued my life since Jake's disappearance.

Little daylight remained. I had to dispose of the vampires while they rested, eliminating them before the sun set and they awakened for another night of savage hunting.

Towering over the regal casket, stake and mallet in one hand, I used my other to lift the lid.

And there it was, the loathsome creature that had, in all likelihood, transformed the love of my life...

Do it! Do it now!

My face twisted with hatred, I gripped the mallet tightly. Then I lowered the stake to Preki's chest. His ruffled white shirt was buttoned to the throat. It wouldn't be white for long. I raised the mallet with bated breath. Focus, I told myself. I had to hit the stake just right, and with enough force to drive it through his black heart.

Of course, I hadn't anticipated what happened next . . .

Would you believe that Count Preki was having an erotic dream? I couldn't help but notice the enormous bulge in his black trousers. The evil bloodsucker was hung!

Detective Hammersmith had fucked me good and proper, fucked me until my pussy ached from the merciless pounding. Still, I couldn't help but get wet at the sight of Preki's big package threatening to rip a hole in his pants.

Call me crazy, but I just couldn't resist. Sex had always scrambled my brain, making me do all kinds of foolish things.

Setting my tools on the floor, I bent over the casket and liberated Preki's colossal cock. No doubt he was dreaming about sinking those fangs of his into some buxom barmaid's neck. As for me—well, I was hot and ready for some dick. And vampire dick would do just fine . . .

A quick ride, I told myself. There would be plenty of time to kill him before nightfall.

Reaching beneath my dress, I removed my panties. Then I climbed into the casket and impaled myself on the slumbering vampire. He felt bigger than he looked. Gasping excitedly, I rode him with everything I had, moving my hips with a frenzied bucking motion. His monstrous tool became even harder and bigger as I grinded on top of him.

All the while Preki feasted in dreamland, sucking on a punctured jugular. If he only knew! I lowered the straps of my dress and discarded my bra, letting my tits bounce freely as I pogoed in proper cowgirl fashion. Preki was big, bigger than Detective Hammersmith, bigger than . . .

"Jake," I gasped urgently, eyeing the nearest of the plain pine boxes. Was that his?

I had discovered Count Preki in the middle of an erotic dream. Perhaps my husband was having one too. Well, I told myself, there's only one way to find out.

I climbed off of Preki, hastened to the pine box, and lifted its lid. George Berg. A local postman who had disappeared two weeks ago. I closed the lid, tried the next one. Bingo! My husband, my dear Jake, slept soundly. His face was a ghastly pallor. Thankfully, I couldn't see his fangs.

Unlike Preki, my husband wasn't having an erotic dream. But this posed no problem. I bent over, unzipped his pants, and freed his cock. I stroked him to full hardness in no time. Then I climbed aboard, treating my pussy to its third dick of the day. So many memories, so many good times. Jake had been a wonderful husband in every way.

I raised my hands and fondled my tits, squeezing and caressing the soft flesh. My nipples were stiff cones. Bouncing with unbridled lust, I lost all track of time. The windowless basement certainly didn't help matters. I moved my hips faster and faster and faster until . . .

Jake's eyelids flew open!

"Shit!" I screamed.

His bloodshot orbs regarded me balefully. He hissed and gave me an up close and personal view of his awful fangs. One of his hands shot up with incredible speed, reaching for my throat. I slapped it aside and tumbled out of the pine box. I scurried across the floor like a crab. I had never been so terrified in my life.

Meanwhile, the lid of Preki's casket had popped open. He sat up. Smiled. Hissed. His fangs were longer than Jake's, longer and sharper looking. No, I thought yet again. That's not Jake. By now both Preki and the Jake-thing were climbing out of their caskets. Abandoning my tools and the flashlight, even abandoning my best panties and bra, I dashed up the steps and through the house, leaping over the unconscious servant before opening the front door and fleeing into the night.

I left town as soon as I got home. This happened well over three years ago. To this day I can't even look at a set of plastic vampire teeth without shaking in my shoes . . .

And creaming my panties!

Surprise Party

> But the party wasn't over. Oh no. Not by a longshot. Imagine my surprise when the strippers showed!

Working for the fire department isn't exactly a thrill a minute. I mostly just sit around the station with my fellow firemen waiting for the shit to hit the fan. Sure, we get the occasional inferno and/or medical emergency, but for the most part ours is a rather dull occupation.

We fill this surplus of free time with domestic chores, trips to the supermarket to keep the kitchen well stocked, even lawn maintenance to ensure that the grounds look spiffy.

I had just returned from my weekly trip to the library—reading is my favorite way to pass idle hours—when I received quite the warm welcome . . .

"SURPRISE!!!" my coworkers greeted me in unison.

My heart tried to leap out of my chest. I stood there in the doorway, bag of books in hand, taking in the festive scene with a burgeoning smile. Not only had the guys remembered my birthday, but they had taken the initiative to throw me a party!

Cake. Ice cream. Presents. Hell, one of the guys even cracked out his guitar and strummed a few licks in my honor. I was touched. And damn lucky to work alongside such a great bunch of guys.

"Thanks for everything," I told them as the soiree wound down. "You guys are the best."

But the party wasn't over. Oh no. Not by a longshot. Imagine my surprise when the strippers showed!

Two hotties—a blonde and brunette—put on one heck of a show right there in the garage. I recognized the blonde immediately; she worked at a local gentlemen's club I sometimes visited, typically after a heated argument with my wife. As for the brunette—well, hers was an entirely new face and body. Her performance, however, left little doubt about her vocation, especially when she treated me to a lap dance. She had done this before, many times.

The blonde utilized our firepole to full effect, turning upside down, spinning this way and that, mesmerizing her audience with a vast array of acrobatic moves. Not to be outdone by the brunette, she took over the lap dancing duties once her colleague had finished.

I almost blew my load several times, barely able to avoid the embarrassment of coming in my pants. A good thing, you bet,

because the party became even wilder. No sooner had the brunette disentangled herself from my lap than she motioned to her blonde colleague. Down to nothing but matching lace thongs, they led me to a more private location.

The guys whooped and whistled as I exited the garage, knowing full what was in store for me. After all, they had paid for the whole thing, no doubt pooling their money to ensure that I had a birthday to remember . . .

Boy did I ever!

Our sleeping quarters left much to be desired. It was cramped and lacking in privacy, the bunk beds more appropriate for young college students than grown men. Hell, even the strippers seemed shocked by our spartan living conditions.

"This is horrible." The blonde frowned at the barebones, dormitory-style quarters.

"I'd go nuts in here," the brunette remarked.

"It's not so bad," I said. "You get used to it."

"Speaking of nuts," the blonde said with a risque smile. "Get those pants off, birthday boy."

I complied hastily. Then enjoyed the most mind-boggling sex of my life. Sitting on the bottom bunk, I watched with amazement as the stripper duo gave me sloppy head. The crouching blonde, having discarded her panties, licked my shaft; this while her kneeling cohort serviced my ballbag.

Excitement mounting, I ran my fingers through their hair, pulling and twisting lustrous locks.

I fucked the blonde first, taking her missionary style. The frenzied slapping of our bodies reverberated off the drab walls as I pounded her pussy. Facing me, the brunette sat on the blonde's face. She gasped and moaned and writhed, delighting in having her cunt eaten. I kept right on banging the blonde carpet muncher. She lifted her knees, encouraging me to drive deeper and harder, which I did. Meanwhile, she continued to lick and lap the wailing brunette . . .

Sated and spent, I took a long shower. Returning to the garage in a fresh set of clothes, I received my second surprise of the day . . .

I don't know if the blonde came. But I sure as hell did, pulling out and proffering my glistening rod for the brunette's enjoyment. Her cunt still pressed to the blonde's face, she leaned forward and took me in her mouth. Holding her head with both hands, I fucked her face none too gently.

Eight or ten thrusts did the trick. I grunted and dumped my man batter down her throat.

Sated and spent, I took a long shower. Returning to the garage in a fresh set of clothes, I received my second surprise of the day . . .

My wife and the two strippers locking horns!

Slapping. Clawing. Hair pulling. My fellow firemen were having the time of their lives; they watched the melee like rowdy spectators at a mud wrestling match.

No doubt my wife had shown up to surprise me on my birthday. Seeing the blonde and brunette, she had put two and two together and blown her top. I thought about breaking up the fisticuffs but decided against this.

It had been years since I had seen a good catfight, and this one had all the makings of a knockdown, drag-out!

Some women, like Alicia, are a special breed. "I met these two guys about a month ago at Santa Monica Beach and we fucked for the first time that evening. It may be strange to say, but I liked the way they did me. What I liked about them were their great looks, nice bodies, and rock-hard straight cocks! I told them I wanted to fuck again real soon, and I'd have a blue ball surprise for them. Well, we did , and here it is just for you."

We love girls with a sense of adventure. We especially love girls when they love girls with a big dick. Not yours or mine, but with something just a little bit different. That brings us to these two hot young lovelies ready to put on their show for you. Sit back and enjoy your favorite cookie and then cream as these two do their most to please.
